

AS-B Anti-Slip

MADE IN
NEW ZEALAND

Why choose AS-B Anti-Slip ?

This surface treatment microscopically changes the tread pattern of the tile surface to provide dramatically increased grip for bare feet and shoes.

It is not a coating,
so it won't rub off crack or peel.

Appearance,
there's no discernable change.

Fast Drying,
can be walked on immediately.

Cost effective,
what price can you put on safety ?

No disruptions,
business carries on whilst treatment is completed

Cleaning,
generally the same methods can continue

Guaranteed,
for 2 years but normally lasts for many years

Effective Tile Treatment For :
