SAFETY IN THE WORKPLACE ARE YOUR CLIENTS & STAFF SAFE ?

Injury through a slip / fall accident could cost you dearly !

An injured client may never come back and lost kitchen, or waiting staff, could cause you serious production problems if they are away from work.

Why risk an accident on slippery surfaces caused by -
Cooking oil.
Spilt drinks.
Slippery tiles.

Anti-Slip Solutions can help prevent that accident & protect not only your pocket, but your good name as well.

For a **FREE, NO OBLIGATION** slip meter test and assessment of your establishment please contact your local licensed applicator on the number below.
